BAR / BAT MITZVAH PROGRAM

We offer a special, highly participative, Bar / Bat Mitzvah program.

We provide referrals to a secular humanistic Bar/Bat Mitzvah preparation Madricha (expert / leader) who will work with you to tailor a program to your desires. Our Bar Mitzvah Madricha will communicate and meet with your child on a monthly basis (or as needed) and via e-mail, will provide personal guidelines, and will help you with the preparation of a Bar / Bat Mitzvah ceremony

We also have the following books / manual available for parents to borrow from the school:

1. "Coming of Age: The Bar and Bat Mitzvah".

(This book provides guidelines to the celebration of a secular humanistic bar and bat mitzvah, including the history and meaning of mitzvah celebrations, and sample services)

2. "A Mitsva Manual for the 21st Century"

For further information and to schedule an information meeting with a Madricha (leader), please contact one or both of our Madrichot (Leaders):
